

October 24, 2005- Military Holiday Party

October 24, 2005

Dear Friends:

I would like to take this opportunity to thank our military families in Orange County (OC) for their constant love and support for our troops. We recognize that the past few holiday seasons have been difficult for your families, as your beloved family members are honorably serving in our nation's Armed Forces. Our office in conjunction with Helping Our Troops (HOT) would like to wish your family a Happy Holidays by fulfilling some of your holiday wishes.

Helping Our Troops Inc. is an Orange County founded 501 (c) (3) nonprofit organization committed to serving our troops. They have established a network of communication with the men and women serving our country around the world through e-mail, direct mail and word of mouth. Troops send their requests and HOT purchases the items they need and ships them directly to the person who made the request.

Recently we have received an overwhelming number of requests from our OC soldiers to help provide assistance to their children and spouses. In order to fulfill our soldiers' heartfelt holiday wishes, we encourage your family to take the time to fill out the attached Holiday Wish List and return it via fax, mail or phone by November 15, 2005. Please help us reach other Orange County military families in need by passing along this information.

Once we have received your completed wish list form you will be invited to attend our Holiday Party, scheduled on December 18, 2005 from 3:30 to 5:30pm, where you will pick-up your gifts from Santa Claus. In order to receive an invitation to the party, you must complete the attached wish list form. If you have any questions or need additional copies of this information please contact Alyssa Schreiber at (714) 621-0102 or email Alyssa.Schreiber@mail.house.gov.

We look forward to making your holiday season a happy one!

Very truly yours,

Loretta Sanchez
Member of Congress
