

September 9, 2006: Sanchez Joins Arab American Community for Annual Festival

Sanchez Joins Arab American Community for Annual Festival

On September 9, 2006, Rep. Loretta Sanchez attended the three-day Arab-American Festival that attracts more than 300,000 people in Garden Grove. Now celebrating its 11th year in Orange County, the Arab-American Festival brings local communities together to enjoy Arab food and culture while promoting tolerance and understanding among all Americans.

"It's a pleasure to represent this vibrant community," said Sanchez. "I'd like to recognize the great leadership you have in your community. Collectively, you have done an excellent job of showing Orange County that you good neighbors promoting peace and understanding in the non-Muslim community."
