

## July 9, 2008: Calling on the President to Rescind his Veto Threat on Medicare Improvements

The Honorable Loretta Sanchez

### CALLING ON THE PRESIDENT TO RESCIND HIS VETO THREAT OF MEDICARE IMPROVEMENTS

July 09, 2008

Mr. Speaker, I come to the floor today to urge the President to reconsider his veto threat of H.R. 6331, the broadly supported Medicare improvement legislation that was passed by this House on June 24. It is my hope that the other body takes quick action to pass this responsible legislation. The Medicare beneficiaries and veterans who are enrolled in TRICARE are depending on this physician payment fix becoming law.

If this legislation is not passed into law, millions of Americans will no longer be able to visit their physicians and receive the regular quality care that they rely on. I understand that some Members of the Congress have concerns about the pay-for in this legislation. However, this Congress and this government cannot continue to pass the buck on fiscal responsibility whenever we are faced with difficult choices.

I believe we have found a responsible way to pay for the physician payment fix that is in the best interest of all Medicare beneficiaries. And again, I urge the President to rescind his veto threat.
